WORK EXPERIENCE

Art Director

8/2022 - Now

Junior Student Film - DigiPen Institute of Technology

(+7-person team)

- Lead creation and direction of visual research, story direction, character designs and props
- Defined look and feel of character model sheets, environment map, painting style, color script and lighting
- Developed in-depth style guide detailing multi-disciplinary pipeline processes, stylistic expectations
- Made look and feel tests for final animation, line work, asset compiling in Harmony
- Enacted quality control and provided in depth draw-overs, edits, and critique

Freelance Illustrator

6/2022 - 8/2022

Advertising Postcards - Omega Financial Investments & Insurance

(1-person team)

- Worked closely with clients to discuss intent of project, target audience, process, and budget
- Provided +20 advertising postcard cuts and illustrations for clients to pick, refined after critique
- 1000 copies of the 2 finished advertising postcards shipped out by end of production
- Updated company's logo assets, provided Photoshop file structure friendly for amateur editors

Art Lead

8/2021 - 4/2022

Sophomore Student Film - DigiPen Institute of Technology

(6-person team)

- Scheduled, documented, and tracked progress of team assets
- Coordinated meetings to discuss pipeline procedure, necessary updates
- Lead creation of character designs, construction sheets, color script, and camera movements
- Collaborated on character animation, clean-up, and color with Animation Lead
- Composited assets for presentations and master file for film

HOBBIES

Dancer

2006 - 2016
